CONNECT

ACD and Inspired Carers invites you to our FREE workshop for families navigating the NDIS

The National Disability Insurance Scheme (NDIS) is the new way of providing individualised support for eligible people with permanent and significant disability, and will roll out across Victoria from June 2016.

What will the ACD Connect workshop series provide?

The 2017 ACD Connect workshop series will provide parents of a child with a disability aged 18 years or younger, with essential knowledge and resources in navigating the National Disability Insurance Scheme (NDIS). Workshops are **FREE** and are comprised of the following:

- **Workshop 1:** About the NDIS
- **Workshop 2:** NDIS Planning
- **Workshop 3:** Putting your NDIS plan into action
- **Workshop 4:** Advocating on behalf of your child

Much of the knowledge and skills gained at these workshops can be applied to your current situation, whatever funding or supports your child has.
