

A large purple L-shaped graphic is positioned on the left side of the page, consisting of a vertical bar and a horizontal bar that meet at a right angle. A second, smaller purple L-shaped graphic is positioned on the right side of the page, also consisting of a vertical bar and a horizontal bar meeting at a right angle. The text is centered between these two shapes.

**HAVING MY TEMPERATURE  
CHECKED AT SCHOOL**

When I go to school I will have my temperature checked.

This is easy to do and does not hurt.

Getting my temperature checked may help keep me healthy and my friends too.

I will need to have my temperature checked each day at school and that is okay.

The thermometer may touch my forehead and it may feel funny but it will not hurt.

Everyone will be proud of me for helping them to stay healthy by getting my temperature checked.

If my teacher is worried about my temperature they will call my parents.

This is okay because my parents can look after me.
