

Association for
Children with a
Disability

Free online workshops

Workshop program Jan to July 2024

Free online workshops for families of children with developmental delay or disability.

Get practical information and insights from our professional facilitators who are parents of children with disability.

Gain skills and confidence to advocate for your child.

Early years

First Steps to Support & Connection

How to find support for you and your family when starting out on your journey.

- Respite and financial supports
- Staying connected and supporting siblings
- Counselling and looking after yourself

“The workshop was one of the most helpful and validating experiences as a parent who’s tried to advocate. It was easy to understand, and provided lots of useful information.”

School Age

Student Support Group Meetings

What is a Student Support Group, and how to get the most out of the meetings.

- Children’s rights in education
- How Student Support Group meetings can help your child
- Reasonable adjustments
- Advocacy and why it’s important

School Age (continued)

Advocating at School

Gain the skills and confidence to advocate for your child at school to get the support they need.

- Rights of children with disability
- Creating positive partnerships with school
- Reasonable adjustments
- Advocacy and why it's important

Teens

Teens and Beyond

A three-part series to build knowledge and skills to support your child aged 13+ now and into the future.

- School and post-school options
- Getting the right NDIS support
- Wellbeing: friendships, behaviour support, communication, mental health

Successful Secondary Years

Information about secondary school processes and how to guide your child through this next phase of their education journey.

- Reasonable adjustments at secondary school
- Social connections and wellbeing
- Communication with school
- Supporting your child to self-advocate

NDIS

NDIS Plan Reassessment

Learn the terminology and get useful information to make the most of your child's plan reassessment meeting.

- How the planning process works
- Preparing for a reassessment meeting
- Gathering supporting evidence
- Advocating for your child's needs
