

Association for
Children with a
Disability

Free online workshops

Workshops 2023

Free online workshops for families of children with developmental delay or disability.

Get practical information and insights from our professional facilitators who are parents of children with disability.

Gain skills and confidence to advocate for your child.

"The workshop was one of the most helpful and validating experiences as a parent who's tried to advocate. It was easy to understand, and provided lots of useful information."

Early years

First Steps to Connection & Support

How to find support for you and your family when starting out on your journey.

- Respite and financial supports
- Staying connected and supporting siblings
- Counselling and looking after yourself

Starting Prep
